Abstract

This document provides detailed information and instructions for preparing the paper for the International Symposium on Neural Networks and Soft Computing in Structural Engineering (NNSC-2005). The NNSC-2005 Symposium will be held from June 30 to July 2, 2005 in Cracow, Poland.

1 Introduction

The papers will be published on a CD-ROM and the abstracts in a Book of Abstracts on condition that at least one of the authors of the paper will have paid the conference fee by May 20, 2005. Full length papers selected by the NNSC-2005 Scientific Committee will be published in a special issue of the following journals: Computer Assisted Mechanics & Engineering Sciences (An official publication of CEACM) or Computer Methods in Applied Mechanics and Engineering (Elsevier).

All contributed papers must contain unpublished materials at the time of the Conference. The paper must contain the full address of the authors. In the case of authorship, the name of author who will actually present the paper at the Conference should be indicated with asterisk. Papers can only be accepted on the understanding that they will be presented at the Conference.

$$\sigma_{ij,j} + b_i = 0, \quad \text{div} \boldsymbol{\sigma} + \mathbf{b} = \mathbf{0}. \quad (1)$$

The graphical quality of the paper must be on such level that after reproducing the text and pictures will be well legible. The length of the paper should be 4-20 pages.

Iteration	$X_1^{(k)}$	$X_2^{(k)}$	$\sigma_1^{(k)}$	$\sigma_2^{(k)}$	$\sigma_3^{(k)}$
0	1.0	1.0	14.14	8.28	-5.86
1	0.707	0.414	21.87	15.57	-6.40

3 Conclusions

Authors are kindly requested to send an electronic version of the papers in exclusively .pdf format to the Scientific Secretary by the e-mail as an attachment to the address npsc@pk.edu.pl. Full papers must be submitted by May 20, 2005.

Acknowledgements

This document is based on the instructions for authors made by the organizers of NMCM 2005 Conference in Žilina, Slovak Republic.
